SUMMARY

Freelance Developer with experience in Mobile, Web, and Game Development, as well as customer support. I have a diverse portfolio that includes paid projects, personal projects, and academic works. Currently, I'm pursuing a Bachelor of Science in Information Technology at Pamantasan ng Lungsod ng Valenzuela in the Philippines.

PROFESSIONAL EXPERIENCE

Freelance Developer   **2024 - Present**

- **Web Developer:** Built dynamic, responsive websites using HTML, ReactJS, Tailwind CSS, PHP, Bootstrap, Angular, and JavaScript, with secure database management in MySQL and Google Firebase.
- **Game Developer:** Created engaging games with C#, Unity, and Blender, and using GitHub and Azure DevOps for collaboration.
- **Mobile App Developer:** Developed mobile apps using Ionic, Angular, and TypeScript, specializing in Android.

Franbelle Medical Oxygen Trading   **November 2022 - September 2024**
Customer Service Representative and Sales Agent

- **Customer Service Representative:** Assisted customers by addressing inquiries, resolving issues, and managing documentation. Supported sales operations, processed orders, and used Excel for data entry and sales tracking.
- **Sales Agent:** Promoted and sold medical oxygen products, exceeding sales targets and building strong customer relationships. Managed sales records with Microsoft Office and used Facebook Ads & Carousell/OLX for marketing.

Pamantasan ng Lungsod ng Valenzuela - University Registrar   **November 2024 - December 2024**
IT Support - Apprenticeship

- Enhanced technical support skills, managed documents and files, and developed report writing skills. This experience strengthened my team communication and organizational skills.
